### 10 THINGS TO KNOW

### 1 GRAB A GUIDE

Pick up an official Guide map and Times Guide as you enter any of the Theme Parks. For a complete listing of all the attractions, updated show times and approximate wait times, stop by the Tips Board.

### 2 DISNEY'S FASTPASS

Wanna save time waiting in line? Look for the FASTPASS kiosk at popular attractions and use your Park pass to receive an assigned return time. This allows your family to spend more time enjoying the Parks and less time standing in line.

### 3 RIDE SWITCH

Have a little one in your party who's not ready to ride an attraction? As a Cast Member about "Rider Switch." One parent can wait with the child while the other rides, then switch at the end with little or no additional waiting in line.

### 4 DISNEY'S PHOTOPASS

It's the perfect way to make sure you capture all your magical memories- and get everyone in the picture. Photographers are ready to capture the magic for you! Get your PhotoPass card from any photographer early in your visit. Load it up with photos and then view them online.

### 5 DO I TIP?

Most Disney Cast Members are not allowed to accept tips. However, there are exceptions. If you use bell services to deliver luggage, \$1 per bag is customary. Tips are not included in your dining plan, so plan on tipping your wait staff in the table service restaurants.

### 6 SPECIAL OCCASIONS

Don't be afraid to inform cast members of a special occasion; birthday, anniversary or anything. Though the red carpet may not be rolled out, sometimes free desserts, visits from characters or extra gifts are given. This is great for a child who is in awe of the Disney experience.

### 7 JUST IN CASE

Disney World is a very big place and there are lots of things to distract little ones. To help cast members locate a lost child take a photo of your child before you leave for the parks. Also, putting your name and cell phone number somewhere on the child is a good idea.

### 8 ORLANDO WEATHER

You may encounter cooler temperatures at night during the winter and fall. Plan to bring a light weight jacket. Also, it does rain frequently for short bouts of time. It is a good idea to either bring ponchos or buy them once you get there. They are also great for covering a stroller while you are in an attraction. Wet butts are no fun!

### 9 STROLLERS AT THE PARKS

Make your stroller stand out. Stroller parking areas are all over the theme parks and all of the strollers look the same. Also, Cast Members often move strollers while you are in an attraction making them hard to find. To make yours stand out, put something on the handle that you can easily spot.

### 10 MY DISNEY EXPERIENCE

Disney has a new website and a free app called My Disney Experience that works while you're in the parks. It includes reservation details, wait times, FASTPASS return times, GPS enabled maps, characters, and dining info. Available at the iTunes App Store.

### IT'S MAGIC!

You can also get your Magic Bands and schedule FASTPASS+.
